### Year 5 Boy's Football

Congratulations to our Year 5 and 6 boys who represented Hook Junior School in the cup fixture on Wednesday.

Our magnificent team braved the cold whilst playing against Charles Kingsley School. The team played outstandingly well with the game finishing a 6-0 win! All of the boys should be commended for playing some exceptional football which was combined with some extremely hard work. Having opened the scoring through Tom after just two minutes, the boys were relentless with their high pressure and ability to pass the ball throughout. Charles Kingsley provided some tough opposition but by the end of the first half Bobby managed to score an excellent second goal after some great build up play. In the second half, the goals continued to flow but, without some resolute defending and goalkeeping, the score could well have been closer. The further four goals were scored by Bobby, Adam, Hayden and a great all-round team goal scored by Bertie.

Mr Leitch and I were particularly impressed with the boy's maturity, sportsmanship and attitude throughout with a great team spirit key to the victory.

Well done boys!

Mr Bower

## Year 5 and 6 Dodgeball

A group of girls from Year 5 and 6 attended a Dodge ball tournament this Thursday.

They were all fantastic representatives of the school demonstrating teamwork, determination, and self-belief which enabled them to secure 2nd place overall!

Well done!

## Horticulturalists Produce

Our Horticulturalist group grew their own carrots and tomatoes this summer.

With a little help from school staff, this produce was made into relish and soup.

They have raised over £40 by selling their products, which they will put towards further resources for them to grow more produce in the spring.

## HSCA Christmas Fair

The HSCA would like to thank all the fantastic kids that helped run games, stalls and more at the HSCA Christmas fair on Saturday. All the children were polite and helpful, it was lovely to see them giving a little back at Christmas time. The fair was a big success and it would not have been possible without the help of the children. THANK YOU!

A very special mention to Emma who spent the entire 4 hours of the fair in the Grotto being the most wonderful elf helper, she was kind to the children visiting the grotto and just wowed us all. We would really like her to know how grateful we are.

Many thanks

The HSCA Team

### Energy Poverty – How Can We Help Those In Need?

More households will fall into Energy Poverty this year than has ever been experienced in modern times. Although energy bills may soon be capped, at £2,500 per typical household, there are many people who will struggle to cope.

Can you help Hook & Odiham Lions support those locally who cannot afford to heat their homes this winter by donating so that they do not have to choose between **Eating and Heating?**

Hook & Odiham Lions are working closely with local agencies to help relieve the suffering by supporting those in need. Whether it is from a government fuel allowance or you just wish to help, please donate whatever you can afford.

Go to [www.hookandodihamlions.co.uk](http://www.hookandodihamlions.co.uk) to donate online or use the code below to go to our PayPal Giving Fund.

**Thank you for making a difference**
