Dear Parents and Carers

Just to remind you that all children were sent home with log in details for the Wheelers e-Platform app so they could continue to read at home. This is a brilliant free resource for our children to use, it's updated monthly with new and exciting titles and is easy to use.

Details of how to log in are listed below.

As with any online activity we advise that you use this with your child. Restrictions have been put in place to try and prevent the downloading of titles that may be better suited for older readers.

If you experience problems please use the **Contact Tab button** on the Home Page of the app and I will be contacted.

Please keep checking the school website for recommended book ideas, which will be updated regularly.

Kind regards

Mrs Adsley
