Procedures

1. Curriculum activities

A voluntary contribution may be requested for the benefit of the school or any school activities. If the activity cannot be funded without sufficient voluntary contributions we will make this clear to parents at the outset. We will make it clear to parents that there is no obligation to make any contribution.

2. Off-site activities and Educational Visits

A voluntary contribution per pupil will be requested and the charge will not exceed the actual cost.

Residential study visits

Costs for a residential visit can include elements for: travel, board and lodging, materials, books, instruments, equipment, tuition, entrance fees and insurance. Each child will be charged for the cost of his/her own part of the visit.

Where possible parents who can prove they are in receipt of the following benefits will receive support in paying the cost of board and lodging:

- Universal Credit (UC) where applicable OR any one of:
 - Child Tax Credit, provided they are not entitled to working tax credit.
 - Income Support (IS); or
 - Income Based Jobseekers Allowance (IBJSA);
- support under part VI of the Immigration and Asylum Act 1999;
- the guaranteed element of State Pension Credit; and
- an income related employment and support allowance

Support will initially be offered through extended periods over which the total cost of the activity can be paid and in some instances contributions from the school.

The school will seek discounts from residential service providers where possible to offset any discounted rate being offered (e.g. for siblings attending, families experiencing hardship or other exceptional circumstances).

3. Instrumental teaching

Peripatetic Music

Payment for instrumental lessons provided by third parties to individuals or small groups is made by parents directly to the teacher. The school will not receive payments for such lessons.

Instrumental music teachers will be charged for the use of our facilities in accordance with our Lettings Policy and charges.

4. Extra-Curricular Clubs

The School charges for all clubs.

Run by school staff

A charge will be levied for participation in extra-curricular activities (before school, after school or during lunch break) to meet the costs of facilities, additional staff, materials or resources. Full payment for extra curricular clubs is expected before classes begin.

Run by outside agencies

The school will endeavour to select outside agencies that offer best value. Where clubs are run by outside agencies a cost will usually apply.

In all cases this payment must be made direct to the agency involved and the school will not hold any income for third parties.

Third parties delivering clubs at school will be charged for their use of our facilities, as documented on the school website and in accordance with HCC charging expectations for facilities use.

5. Damaged property

The school may charge parents for the cost of replacing or repairing items broken, damaged or lost due to their child's behaviour. When this is the case, the explanation of damage and resulting charge will be clearly set out in writing.

6. Letting of premises

The annual charges are set by the Governing Body with regard to the cost of the services provided and comparable local facilities. The Governing Body may, at their discretion,

reduce charges for non-profit making organisations. The conditions of hiring and booking are laid down in the Conditions of Hire document.

The hourly hire rate for a classroom is £10.

The hourly hire rate for the school field / playground is £20.

The hourly hire rate for the Hall is £20.

7. Freedom of Information Act Information Requests

Charges may be made for freedom of information requests as detailed in the school's Publication Scheme.

8. Arrangements for part or full remissions of charges

The school may provide part or full remission of charges from the school budget or external grants for those families unable to meet the full cost of voluntary contributions or charges, on application to the Headteacher or School Business Manager. The Governing Body will be informed in general terms of the total provided for each activity.

Parents who have contributed voluntarily may request a refund if their child is unable to take part in an activity through illness or relocation.
