

Application for a Scooter or Bicycle Permit

Please read the information below, the code of conduct and complete and return the slip to apply for a scooter and/or bicycle permit.

Wear a helmet

The Road Safety team strongly recommend the use of a correctly fitting cycle/scooter helmet.

Further information is available in a Department for Transport report:

Scooting and Cycling to School guidelines

Research data shows that children under the age of 10 years old do not have the ability to accurately judge speed and distance. Their spatial awareness skills have not advanced to the point where their safety is sufficiently assured, even when accompanied. The decision and responsibility for your child's safety and competency to safely negotiate hazards whilst cycling / scooting on the route from home to school and back lies with the parent/carer.
