## Books Supporting Topics Summer 2023 Year 3

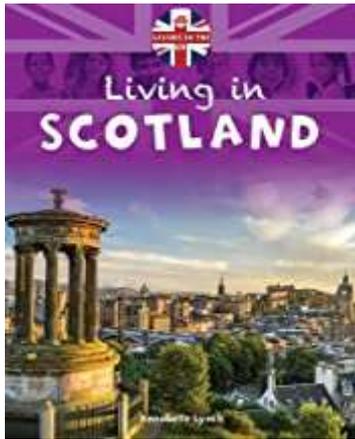

Let's Visit aims to encourage young readers to find out about all the great places the UK has to offer, and maybe even get out and experience them for themselves. Along the way, they will pick up some key geography learning.

Let's Visit: England explores eight great places to go in England - from the beautiful Lake District to London's superb Natural History Museum.

Join intrepid explorer Benjamin Blog and his inquisitive dog Barko Polo as they travel to one of the world's most fascinating countries: Wales. The book includes chapters on Welsh history, geography, cities, people, and food, as well as visiting some of the most famous places of this unique country, such as Conwy Castle and the Gower peninsula.

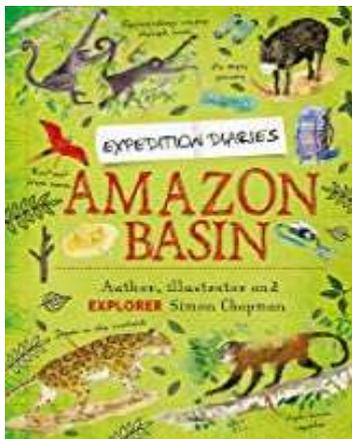

This series introduces young readers to the four different countries of the United Kingdom, highlighting the differences and similarities between them.

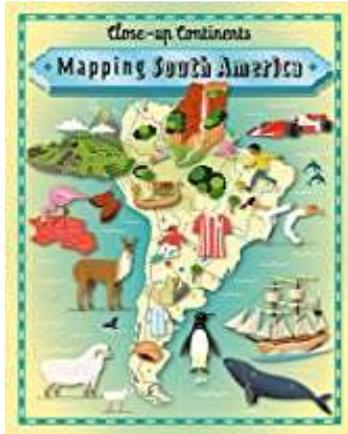

Welcome to Scotland! In this book, young readers tell you all about what makes their country special, from its capital city of Edinburgh to the landscape, people, food and things to see and do.

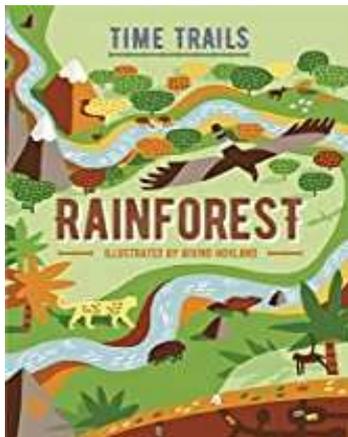

The My Holiday In series offers a simple approach to the concept of travel and the new experience of going on holiday to a foreign country. In this title, the typical things relating to holidays are discussed for Brazil, such as its weather, food, landscape, accommodation, the people and their language, as well as the sights and attractions that will appeal to children.

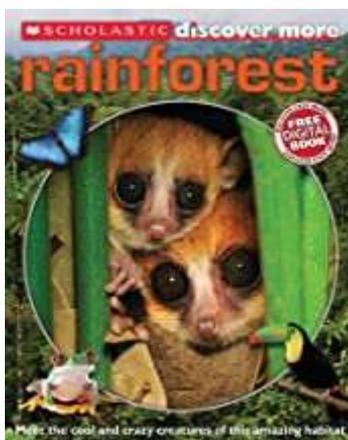

Simon Chapman, winner of the Blue Peter Book Award, brings geography to life, and his Expedition Diaries are a great way to introduce the world's biomes and habitats to children, direct from someone who's actually been in them - sometimes up to his neck!

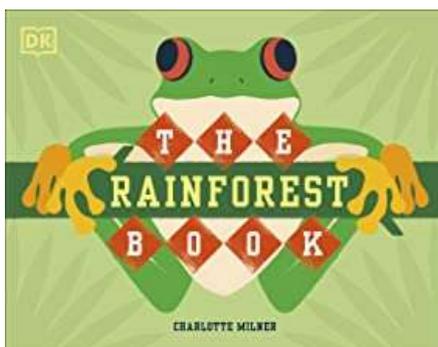

This unique series gets close up to some amazing areas of our world, and allows readers the opportunity to explore key countries, topographical features and cities in a way that is both engaging and entertaining. In addition, each book highlights significant human, geographical, sporting and economic information.
